### **Buses leave campus each day 5 minutes after the final bell**

When weather conditions do not permit the safe operation of the buses, the high school may operate a foggy day schedule. The decision is made by the administration on consultation with the bus drivers, the Highway Patrol and weather bureau officials. We attempt to make the decision prior to 6:30 a.m. and relay the information to television station KVPT TV Channel 18. If a decision is made to delay school because of extremely foggy conditions, classes will be shortened as indicated above and as follows:

- Plan A Two hour delay in class and morning transportation. Class begins at 10:10 a.m.
- Plan B Additional one hour delay in bus time. Regular class begins at 10:10 a.m.
- Plan C Morning transportation is cancelled. Regular class begins at 10:10 a.m.
