The Builders

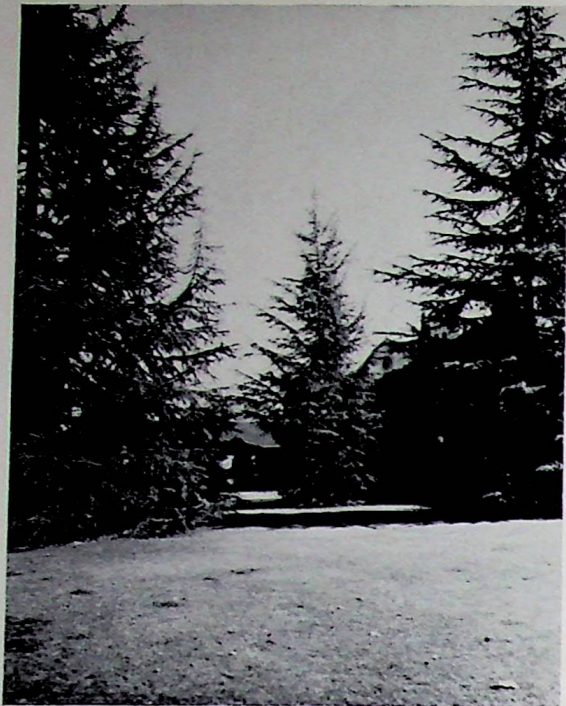

For the structure that we raise
Time is with material filled;
Our todays and yesterdays
Are the blocks with which we build.

Truly shape and fashion these;
Leave no yawning gaps between;
Think not, because no man sees,
Such things will remain unseen.

Build today, then, strong and sure,
With a firm and ample base;
And ascending and secure
Shall tomorrow find its place.

KINGSBURG HIGH SCHOOL**

Foreword

IN YEARS TO COME when you open this Annual of 1945, you will remember among other things, that at the time, the entire world was engaged in the greatest and most devastating of all wars. Boys from our school were leaving one by one to join up with the Armed Forces. Almost every week former students in uniform, on furlough from training camps and overseas duty, would wander reminiscently over our campus. You will recall, too, the hectic scrap drives, the paper drives, the bond drives, and the frantic scramble for ration stamps for class parties and gas with which to trip to out-of-town games.

It was under such conditions that this Annual was edited. No films, no engravers, no choice of this, and nothing left of that; but we did find a little of everything and put it together to make this Annual of 1945.

We hope that you like your 1945 Viking. But if it doesn't come up to your expectations, just remember that in 1945 we'd say, "Don't you know there is a war on?"

Here's hoping in years to come, as you browse through this VIKING ANNUAL, the happiest memories of your high school days will be recalled.

*"Plowman, bear in mind
Your labor is for future hours!
Advance—spare not—nor look behind—
Plow deep and straight with all your powers."*

To Our Good Friend, MR. TRUMAN FRANE.

The School

This is your school. Here is the main building in its setting of smooth lawn, graceful shrubs, and stately trees. Within is the auditorium where you enjoy fine programs during the year. Behind this building stand the music hall and the shop, each ringing with its own type of music. Beyond is your grand modern gym where you have won and lost games. Behind the gym is your swell little park for steak bakes, picnics, and heaps of fun. Further on are the tennis courts and the athletic field. All these are yours.

Yours, too, are the progressive school board, the efficient, willing, and conscientious faculty, secretary, custodians, bus crew, and swell cooks—all a loyal group that we students just couldn't get along without.

Yes, there are the students—about two hundred seventy now, with efficient student-body officers, up-and-coming board of managers, and seven fine organizations and clubs which contribute much to the interest and welfare of school life—the newest of them all, the recently organized Tri Hi-Y.

And must we mention it? Yes, yours, too, are the studies, yours the discipline, and yours the challenge.

The Classes

For four years it has been our privilege to spend our time together—to work, to play, to build together. Freshmen, Sophomore, Junior, Senior—four steps to the future—to its responsibility, its achievement, and, God grant, to its fulfillment and happiness.

Seniors

Back row: D. PETERSON, President; L. JOHNSON, Treasurer; B. CARLSON, Yell Leader. Front row: A. HALVORSON, Secretary; L. HEINRICHS, Vice President; E. ANDERSEN, Song Leader.

On October 13 the Seniors started out the year by being host to the Freshmen at a skate. Their first class party was held December 1 in the Gym. April 6 marked the next event, which was more or less a two-fold occasion—a class party and a farewell party for the class president, Douglas Peterson, who was leaving them to serve Uncle Sam.

May was the month of many activities for the Seniors. May 2 was the official "Senior Day" in which the Seniors visited various places of interest in Fresno. Perhaps the most hilarious occasion was the annual Senior dress-up day on May 4.

Of course none will ever forget the grand Junior-Senior Banquet put on for them by the Juniors.

Their last party together was the steak-bake held June 13.

The closing event, graduation—June 15, brought to a close four happy, care-free years at K. H. S.

Advisors: MRS. THOMPSON, MR. EWAN, MR. FRANE, MRS. J. SMITH.

October 2 found 55 eager Junior students back with their books for another year at K. H. S.

The Gym was the scene of two super parties—the first of which was on December 8 and the second, on March 23.

The Juniors introduced the first issue of the "Viking News" at an assembly program held January 18. They were responsible for arranging the staff to carry on the work. Thanks, Juniors!

February 15, 16, 17 were the important dates of the all-school show "Star Dust," with proceeds going to the Junior Class for the Junior-Senior banquet.

This banquet, with its "Circus" theme, was the crowning achievement of the Junior year.

On October 20, 1944, the Sophomores were the tired but proud winners of the annual Freshman-Sophomore Brawl.

Their first class party was held in the Gym, on January 12, 1945; a swell time was had by all. Another party was held in the spring.

They are winners of the Inter-Class Competition, and as a prize are the guests of the Student Body at a picnic at Mooney's Grove.

On October 2, school started with the Freshman Class 90 strong. October 20 marked their first participation in school activities when they were the unhappy and paint-smearing losers in the Freshman-Sophomore Brawl. A successful party held later in the Gym however, helped to soothe their ruffled spirits.

Later in October they were the guests of the Senior Class at a skate, enjoying with their hosts a perfect evening. Another party was held in May, as a climax to the year.

Organizations

The various organizations at Kingsburg High have completed a successful year. The Student Body officers have proved to be wise and competent pilots, keeping everything moving smoothly with firm and friendly guidance. The Annual Staff has worked hard to produce a memorable record of the year for us to cherish. The Viking News staff has worked on the run to capture school activities and atmosphere.

The C. S. F. has a two-fold aim: To uphold a high standard of scholarship and to render service to the school in accordance with its motto, "Scholarship for Service."

This year the Junior Red Cross continued its war work contributions.

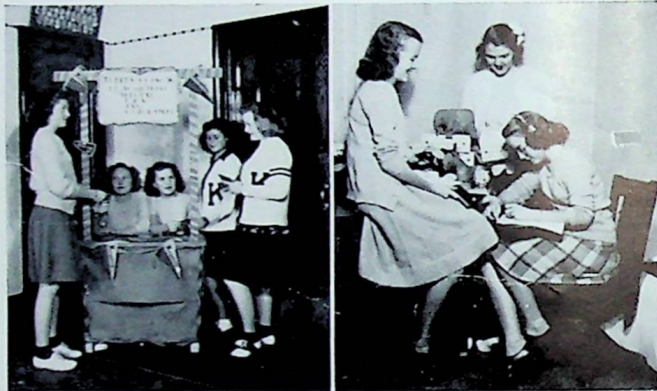

The Hi-Y group has made strides in their character building and fellowship program.

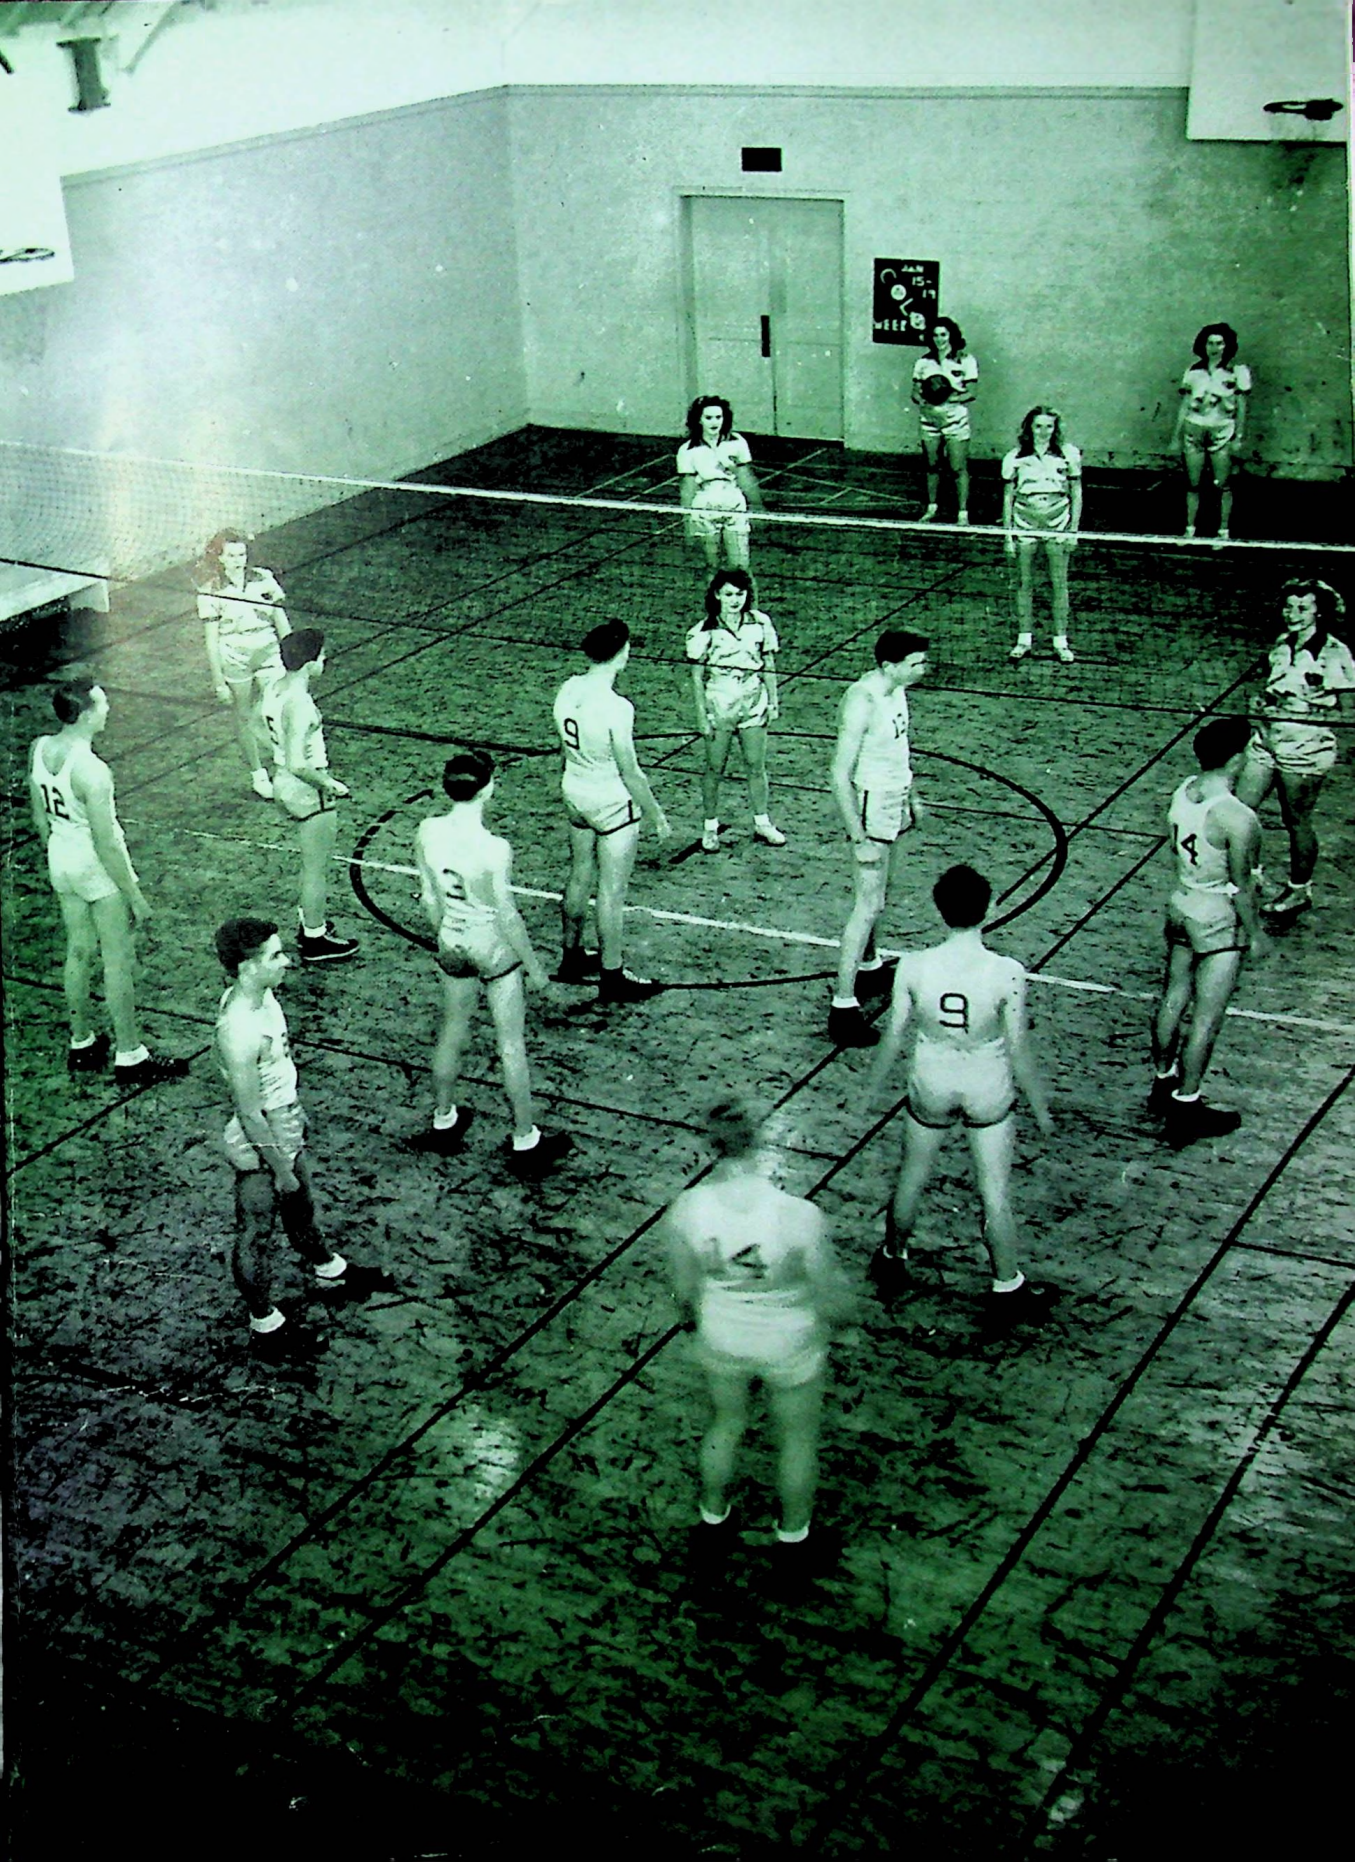

A local chapter of the Tri-Hi-Y, a girl's organization, sponsored by the Y. W.C.A., was started this year, having as its first project an Easter egg hunt for children of the community.

Our G. O. S. continued in its program of social service work and promotion of better fellowship among the girls of the school.

More girls and boys in sports has been the aim of the "K" Club, while the F. F. A. participated with other schools in judging meets.

These organizations, active and serviceable, are to be complimented on the contribution they have made to their school, their community, and their nation.

C. S. F.

"Hi there! I'm Jill and this is Jack. Together we're going to introduce you to the organizations of K. H. S., so come on fellows and girls and we'll make a tour of inspection."

"First of all we want to introduce you to the C. S. F."

"Say, Jill, what does C. S. F. stand for?"

"Well, Jack, it stands for California Scholarship Federation, and our club is just what its name says. Its members are students who earn, by their grades, a certain number of points. To earn membership a student must have the required grade average; this year 16 fellows and girls earned the honor for the first semester and 26 earned it the second semester. Regardless of all the brainpower represented in the club, however, they certainly aren't duds."

"It is said the party they held this year, in May, was super. Oh, I almost forgot—delegates attended an all day meeting in Fresno March 3, and they said it was really grand."

"That doesn't sound half bad; in fact it sounds like it's worth working for. Who are the officers?"

"There are two sets of officers. The first semester officers were Barbara Peterson, President; Helen Osterberg, Vice President; and Nancy Andersen, Secretary-Treasurer. Second semester officers were Alton Peterson, President; Betty Jo Linman, Vice President; and Marian Swanson, Secretary-Treasurer."

Future Farmers

"Well I may not be such a brain, but here's something that I know more about than you do. Our F. F. A. chapter consists of 25 members, and we hold our meetings every other Wednesday with other special events thrown in for variety. The initiation is some ordeal, and don't let anybody tell you anything different. It makes me shake just to think about it."

"Toll me about some of those special events you mentioned a while ago; they sound interesting."

"Let's see—Lee Johnson was one of the lucky winners in a pruning contest held with several other schools in Reedley last February. He was five dollars and a pair of pruning shears richer for his efforts, lucky fellow. With other school teams from several counties participating, a team of three boys judged an Aberdeen Angus show in April. With the Hanford Chapter we held a really super Rodeo with all kinds of events."

"It really sounds like you have a swell time. Who're the bosses?"

"Paul Ahlstrom is the head boss, Leland Johnson takes his place in case of absence, John Dillon takes care of the minutes and the money, William Neves reports all our news, and Ralph Johnson throws out any disturbers at our meetings."

G.O.S.

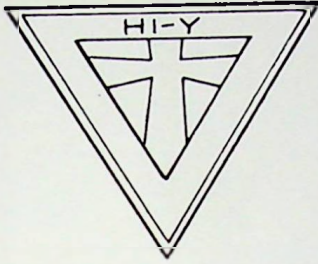

JEAN BUNGER, President

"Wait a minute, Jill, what's all that chattering coming from the auditorium? Sounds like about a hundred girls having a regular cat session."

"Oh, Jack, you're impossible. That's only the monthly meeting of the G. O. S. to which all of the girls in school belong. It occupies a very important place in school life, I'd like you to know. This year we started out with a swell reception for the Freshies and new girls. When Christmas rolled around, you should have been at the annual Children's Party and seen Mr. Ewan ably subbing for Santa. In April pretty dresses and hats of all kinds brightened Spring Day, and a super hike and weinie roast climaxed the season. Our mothers are always formally honored at a reception in May, at which time our new officers are installed. Our officers for this year are President, Jean Bunger; Vice President, Barbara Peterson; Secretary, Beverly Carlson, and Treasurer, Adell Halvorson."

Hi-Y

DOUGLAS PETERSON, President

"So much for the girls, Jill; now here's a club that's strictly for the male population of K. H. S. Yes, it's the Hi-Y. Its members are junior and senior fellows, and its purpose is "to create, maintain and extend throughout the school and community high standards of Christian character." We meet each week for a discussion, followed by refreshments. This year the meetings have been swell, with several outside speakers as well as many heated discussions. We have our social side too; all the fellows dressed up and took their best girls to a party November 10, and then in May sand was the main course, as usual, at our beach party. We have presented two programs also: the annual Tin Can Assembly, for which a can of food for the needy is the admission fee, and most important of all, our Minstrel Show, presented for the public. The latter was really a super-colossal production this year, with all kinds of jokes by the end men, and really great specialty acts. Mr. Schwartz and the Music Department gave their able aid in putting this show over."

"Say, you fellows really do do things."

"Sure, our officers are President Douglas Peterson, Vice-President Lowell Johnson, Secretary-Treasurer Leland Johnson, Chaplain Robert Maier, and Sergeant-at-arms Dick Cronin. As we lost our President to the service in April, Lowell moved up to take his place and Herschel Jones was elected to fill the vacant office."

Back row: D. PETERSON, L. BERGSTROM, L. JOHNSON, D. OLSON, L. WELTY, W. NELSON, C. JOHNSON, B. BUNGER, J. ENNS, L. JOHNSON, MR. DODSON. Middle row: R. CRONIN, C. NORMENT, H. JONES, P. JOHANSON, L. JONES, D. OLSON, H. ERICKSON, R. MAIER. Front row: L. HALVORSON, E. ZOLLAN, G. LEAF, V. SHAGHOJIAN, B. THOMPSON, D. NYSTROM.

Red Cross

JEAN BUNGER, President

"Need you ask which school organization is closest to the war effort? The Junior Red Cross, of course. Naturally everyone in school is a member, but the work is planned by a Council, composed of a boy and girl representative from each class and two representatives from the G. O. S."

"What kind of work have they been doing?"

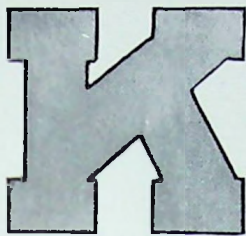

"Well, this year they've been especially busy, sending menu covers to the navy, filling toy boxes for children in war-torn countries, helping supply needed articles to army and navy hospitals, and many other things. So if you ever feel the urge to aid in the war effort, just see the Council and they'll find you something to do and quick."

"Sounds like a good idea, but who are the officers?"

"Jean Bunger is president, Ruth Miller is vice-president, Evelyn Naill is secretary, and Janice Kulgren is the treasurer. Mrs. Nordstrom, Miss Arbios, and Miss Newbecker are the able advisors."

Back row: C. NORMENT, MRS. LAW, MISS NEWBECKER, MRS. NORDSTROM, J. KULGREN, MISS ARBIOS, B. HURST, I. HURT, J. BUNGER. Front row: B. BISHOP, R. MILLER, E. NAILL, B. PETERSON, C. ANDERSON, R. PETERSON

"As our last organizations we have the Boys and Girls 'K' clubs. Jill, since the girls seem to be the only ones who have done anything this year, suppose you tell about the Girls 'K'."

"Well, the respective clubs are composed of boys or girls who have earned one or more 'K's.' The girls have had several parties this year, and as usual, they sponsored the annual Color Week, during which everyone is supposed to wear Green and Gold; prizes are awarded to the boy and to the girl wearing the most color throughout the week."

"Jill introduced the section, so I guess it's up to me to close it. We hope that you will have become better acquainted through our efforts with the organizations, and we also hope that by means of this jaunt you will have absorbed some of the enthusiasm we feel."

GIRLS' "K" CLUB

Activities

This year has some outstanding activities to its credit. A beautiful and inspiring concert was presented by the music classes. The music, physical education, and art departments cooperated in successful presentations of "Star Dust" and the Public Schools Week program. They contributed, also, specialty numbers and background to the Hi-Y Minstrel Show.

Athletics this year reached a peak in basketball, with the "B" class team tying with Sanger for the League Championship and the Varsity team winning all except the last game, which was lost to Sanger.

Girls' sports were at an all time high with dozens of girls out for all teams. The girls contributed many colorful dances and drills to programs throughout the year.

New luster has been added to Kingsburg High by this year's activities.

The 1945 Basketball season was an almost spotless one for the Varsity. The Vikings were undefeated in eight straight games but lost to the Sequoia League champs, the Sanger Apaches. The Vikings ended their season against Lemoore, and came home with victories in all three classes. Dick Cronin was the high scorer for the Vikings, with an average of twelve and one-half points per game. Bobby Meyers, Robert Maier and Lowell Johnson alternated as forwards, and Wendell Nelson and Bill Bunger were mainstays as guards.

BASKETBALL B's

The Kingsburg High B class wound up a successful basketball season in a two way tie with Sanger's B's, for the championship of the Sequoia League. Led by Captain Dick Olson, and by the sharp shooting of Vos Shaghoian and Stanley Seaberg, the B's were able to emerge victorious in nine out of ten games. The B's opponents were held to low scores by careful guarding of Paul Seaberg and Howard Erickson.

BASKETBALL C's

Although our inexperienced C's failed to win many games, interest was high and many prospective players for future years loomed up. These boys should mean plenty of fine material for the B's and A's during the next three years.

Back row: J. BENNETT, J. BARE, B. BUNGER, D. CRONIN, D. ASPLUND, N. NYSTROM.
 Front row: J. AGUIAR, J. DILLON, H. ERICKSON, R. OLSON, L. JOHNSON, J. BUNGER, V. SHAGHOIAN.

Baseball

Baseball at Kingsburg High is again coming into the limelight. We have a classy ball club this year composed mostly of lower classmen. The boys have won eight out of ten practice games and to date have lost but one league tilt. Two veterans the club will lose this year are John Dillon and Lowell Johnson. Next year should see K.H.S. at the top of the baseball league.

Track

The outstanding meet of the season for our tracksters was our intersass meet in which the Sophomores were winners. Our boys, also, held two three-way meets with other schools and were winners in one and second in the other. We were represented at the Reedley meet, the Roosevelt High invitational meet, West Coast Relays, and the Sequoia League meet. A number of individual champs resulted from this year's competition.

Our tennis teams this year had a very successful season. Interest was high especially among the girls with about 15 out for places on the school team. There were enough boys to fill all berths on the teams. At the Sequoia League tournament in Fowler on May 26 Betty Jo Linman and Bettie Johnson won the Girls Doubles by defeating Reedley and Fowler. Dick Cronin and Lee Johnson defeated Reedley and Sanger to emerge the Boys Doubles champs while Robert Maier captured the Boys Singles by defeating Sanger and Lemoore, and so Kingsburg brought home three league championships. Evelyn Richardson and Bruce Morgan played Mixed Doubles while Zenora Strand was our Girls Singles. We congratulate the five Seniors on their 1945 Tennis championships.
