

KINGSBURG JOINT UNION HIGH SCHOOL DISTRICT

1900 18TH Avenue
Kingsburg, CA 93631

Maintenance and Facility Projects

The District is responsible for maintenance of 55 acres of school buildings and landscaping conducting maintenance repairs at two school sites. While we do have a maintenance staff, we commonly use outside contractors to assist in larger, more complicated projects requiring specialized services.

Contractors used but not limited to:

- Electrical
- Plumbing
- Security
- Landscaping
- Fire Alarm
- Elevator Services
- Pest Control
- Disposal
- HVAC
- Flooring
- Fire Extinguisher Repair
- Backflow Testing
- Generator Repair
- Water Testing
- Locksmiths
- Crane Service
- Energy Management Systems
- Telecommunication
- Tree Trimming
